The board and all committee chairman will be working quickly to develop the final details. As soon as they are finalized they will be posted on the website.

We are looking forward to a new year filled with changes and we will work through them together. I want to thank the board members and all those members that came forward to fill the chairman positions. When someone asks how they can benefit by joining our club I say “that’s easy, just meet the people”.

Thanks, George
